11 Not Afraid **Stephanie Smith**

Gotee Records

I'm takin' the memories
Don't wanna leave them all behind...
Some are good, some were bad
Some were in between
He is with me
And I'm not alone
So I'm not afraid

12 Here We Are **B. Reith**

Gotee Records

Waited for so long to get this far
Never thought the time would come
But look now here we are
Dreamed about this moment ever since I was a child
Gave it all I had to give
Momma look now aren't you proud

13 Back And Forth **Lanae Hale**

Centricity Music

Back and forth
The waves keep crashin'
Over my head
I keep on sinkin'
I need Your hand to steady me
To bring Your peace to this storm
Cause it's back and forth

Feel the rain falling hard on my shoulders
I lift my head and I don't let go
Feel the tide growing high as I get older
I lift my head and I don't let go
I feel the waves rolling over and over
I lift my head and I don't let go
Cause You're my light when the dark gets colder
So take my hand and don't let go...Don't let go

14 Such A Time **Flynn Adam**

Gotee Records

See there's a purpose and plan
Inside everyone's head and hands
Some die and some grow old
Some live with stories untold
Some make it happen and they make the most
And some get shot down forced to close
As long as I got this breath to breathe
I gotta get to living my legacy

For such a time as this
For such a time yeah
For such a time as this
Right here for such a time yeah
